

PKW Payment terms

Purchase orders

You must obtain a purchase order from PKW before supplying goods and/or services to us. PKW pay suppliers based on an approved purchase order matched to an invoice through our ERP system.

The purchase order number relating to the goods and services you provide PKW *must be included* on your invoice. If no valid purchase order number is shown on an invoice it may be returned to you causing a delay in payment.

You will receive a system generated purchase order when the goods or services are approved. The purchase order number will be on this document.

If you do not have a purchase order, please contact the person you have been dealing with at PKW to request this information.

A purchase order is only valid for 60 days.
